Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.

~ Jude 3
SCHOOL PURPOSE
As a ministry of Calvary Road Baptist Church our school reaches into the homes and communities of our students. Our goal is to help faithful, Christian parents develop in their children Christian character, leadership qualities and a strong tendency towards service in their church, community and for the Lord.

Parents are accountable and responsible to God for their child's education. We desire to assist parents in this task. We do not and would not replace the home in authority or influence. We strive to supplement the home through the training and discipline of our students. This growth can only be achieved through a strong relationship between parents, teachers, students and our pastor.

In an effort to offer a quality program of academic and spiritual training, CRBS places great emphasis on the following:

• Christian Teachers: Our teachers have been called by God to minister as teachers and have a Christian philosophy of life and education. They are worthy examples for our students to follow.

• Christian Textbooks: CRBS uses the Accelerated Christian Education (ACE) program as our curriculum. ACE is Christ-centered in its philosophy and employs the King James Version of scripture throughout.

• Discipline: CRBS believes that an undisciplined life is an unproductive life. We practice Biblical discipline throughout our program. Our goal is to help students achieve a personal philosophy of self-discipline that will help them in all aspects of their lives.

SCHOOL PHILOSOPHY
Calvary Road Baptist School supports and complements the Christian home and the church during the child's formative years. Children learn to interpret all of life in the light of God's revealed word, the Bible, and according to His eternal purpose. They learn to base their everyday living upon obedience to God's Will.

Calvary Road Baptist School is opposed to progressive education, which is based upon pragmatism, which says there are no absolutes, and promotes atheism, materialism, permissiveness, and evolution. We are committed to the traditional philosophy, which holds that God's laws are absolute and cannot be disregarded. We are opposed to a child-centered education rather than a Christ-centered education.
Our purpose is to offer each child a regular course of study according to the highest academic standards, with the addition of Bible study, in an environment which is thoroughly Christian and upholds high standards of achievement taught by Christian teachers who are fully qualified in their academic training and Christian experience.

**Bible**

Bible is a required subject at Calvary Road Baptist School. It enhances the study of other subjects such as English, History, and especially Social Studies. No other book can enrich the mind and heart and can prepare one for an effective life as this “best seller” of all time. Our school is privileged to use this most important tool in the work of character building, which is offered in laying a sure foundation of moral and spiritual values in a day of moral decay and spiritual apostasy. Without a working knowledge of the Bible, a student can not be considered educated in the truest sense. The only approved Bible for use in Calvary Road Baptist Church is the King James Version.

**PATRIOTISM**

Patriotism is the love and loyal support of a person for his/her country. This includes attachment to a country’s land and people, admiration for its customs and traditions, and devotion to its well being. The term patriotism implies a feeling of oneness and membership in a nation. Our school endeavors to develop patriotism in order to create an appreciation for the common memories, hopes, and traditions of our country. Each child is expected to pledge his/her allegiance to the American Flag, Christian Flag, and the Bible each day.

**NONDISCRIMINATORY RACIAL POLICY**

Calvary Road Baptist School does not discriminate on the basis of race, national or ethnic origin in administration of its educational policies, admission policies, or any school administered programs.

All new students are placed on a nine-week probation period to determine his/her capability of maintaining the academic and spiritual standards of the school.
5. All students must comply with the school policies, dress code, and honor code. They must be of good character, attitude, and citizenship. Misbehavior or continual misconduct will not be tolerated. Yearly tuition may be paid in one payment or ten equal payments. The yearly tuition spread over a ten month payment period makes it possible for an average family to afford a Christian education for their child(ren). Tuition payments are due the first day of each month with the first payment due August 1st, and the last payment due May 1st.

For students registering after August 1st, there will be no daily proration of the first month’s tuition. Registration after September 1st will be on a daily basis. If at any time an account becomes more than 30 days delinquent (without prior approval from the administrator), attendance privileges will be suspended immediately and will only be reinstated once the account is brought current. Any absence from school will be unexcused.
DAILY SCHEDULE
Class begins promptly at 8:00 am and dismisses at 3:00 pm. The in class school week runs from Monday through Thursday, with Fridays reserved for at home work as well as field trips, volunteer ministries, service ministries, etc.

HOMEWORK AND CLASSWORK
Homework is a necessary part of the school experience and serves to reinforce lessons learned at school as well as involve the parent in their child’s educational experience. The ACE program is designed for a student to complete one PACE in each subject every 3 weeks. This sometimes means a student will have homework on one or more subjects in order to stay on schedule. Parents must not do any of the work for the student but may assist where needed. All school work (including homework) is a vital part of your child’s learning. As such, the completion of homework is mandatory. Failure to complete homework will result in detention. A pattern of incomplete homework will result in suspension.

- Modesty (1 Timothy 2:9; 2 Timothy 2:22) God’s standard for men and women is very high.
- Distinction (Deuteronomy 22:5; 1 Corinthians 11:14–15) Men should dress like men and women should dress like women. Doing otherwise is “an abomination unto the Lord.”

DISCIPLINE
Since the school is an extension of the home with authority from the home to discipline (train) the child, we feel that we have the responsibility to both the parent and God to discipline the students according to the scripture, which clearly states: “Train up a child in the way he should go: and when he is old, he will not depart from it.” Proverbs 22:6
Full cooperation is expected from both the parent and teacher in not doing or saying anything that might cause the student to lose confidence in and/or respect for a parent or teacher.

In order to maintain an orderly learning environment there must be behavioral rules. Students unwilling to comply with the rules will not be allowed to attend. We will not allow the disruption of an unruly student to interfere with or impede the learning process of an entire class.

All questions of disciplinary action are to be dealt with immediately by meeting with parents, supervisor and principal/pastor. Records of all disciplinary measures will be kept in the student’s file to be used in parent conferences.

**STANDARD OF CONDUCT**

Ladies and gentlemen are expected to maintain high moral standards of conduct and behavior at all times both on and off campus. The school’s standards will be carefully laid out and explained. Absolute cooperation will be expected of every student. Any violation of these standards will result in discipline.

- All students are expected to be in the classroom standing at their desk at 8:00am.
- Students will be given 5 minute and 1 minute warnings when class is to resume after a break. Any student coming into class after the appointed time is considered tardy.

- Faculty will establish a pattern of behavior that is to be followed by all students. This includes proper standing and sitting posture, behavior on breaks, behavior when a person enters the classroom, etc.
- Students are expected to be respectful to adults. Ma’am and Sir or a proper title (Mrs., Miss., Mr., Brother, Pastor, Dr., Officer, etc.) should always be used.
- Any complaints should be made in a respectful manner. Griping or arguing will not be tolerated at any time.

• Any student in disharmony with our standards will be called before the administrator. Changes will be required before returning to class. In case of suspension, any class absence will be “unexcused.”

• Three visits to the administrator due to violation of standards or misconduct may bring a suspension of three days without credit. Both student and parents must meet with the administrator before the student may return to class. If there is any recurrence of the same problem, the student will be asked to withdraw from the school.

• Students and parents will always have the right to appeal, in Christian love and understanding, but it must always be done according to the line of authority at our school. First, concerns need to be taken to the administrator, and if resolution is not found, then the pastor is to be contacted.

ACADEMICS
• CRBS uses the King James version of the Bible for all course work, chapel, study, etc. All other versions are not allowed.
• Students will study a variety of subjects including: Bible, English, Social Studies, Science, Literature, Math and Spelling.
• ACE is based on a system of books called PACE’s. Each subject consists of 12 PACE’s that comprise one school year. Each PACE requires approximately three weeks to complete. Each PACE contains a series of Check-ups, a Self Test, to prepare the student for the test, and a final test over the PACE.

• To teach students to set and meet goals the ACE system requires each student to set a goal for each subject on the number of pages to be completed each day. Homework is given based on the pages a student was unable to complete during the school day. The students goal chart will be checked each morning to insure their goals were met and homework completed.

• A grade is earned after taking a test on a given PACE. Grades are as follows:
  - 94–100        A
  - 88–93          B
  - 84–87          C
  - 80–83          D
  - 79 – 0          F

• A student who fails a test will be required to retake the entire PACE. After retaking the test the highest grade the student can receive on their first retake is 90%. The highest score possible on all subsequent tests will be 80%

• Any student wishing to participate in extra-curricular activities must maintain a C average and be current on all monthly Scripture memorization.

The importance of good attendance and tardiness cannot be overstated. It affects not only academic progress but character development as well. Students who are excessively absent or tardy may be dismissed from CRBS.

Excused Absences

For an absence to be excused the student must bring a note signed by the parent which explains the absence. The note should give the date of the absence and be given to the administrator the morning the student returns to class.

When a student will be absent from school a parent should call the administrator by 8:00am each day of the absence. If the administrator does not receive a call by 9:00am then the parent will be contacted. This policy is for the protection of all CRBS students.

Listed are some excusable reasons for an absence:
  - Student’s illness (a prolonged absence may require a doctor’s excuse)

Discipline may include the issuing of demerits, suspension, and expulsion from the school.

We will not hold the school or church responsible for any liability to our child because of claims on behalf of our child against the school or its agents for any injury or alleged injury.
