February 2023

Pastor,

This is an updated list of open dates we have for the last half of the year. We are available for Revivals, Family Seminars, Teachers and Children's Workers Conferences and Mission's Conferences. Jo is available for ladies' meetings and she and I also do a variety of children's meetings and kids crusades. If we can be of help or if you can recommend us to other pastors, it would be a blessing. If you are a church that supports the Lighthouse Children's Homes and need a visit to update what is happening with the homes, or for a Mission Conference, we will be happy to come as our schedules permit. **We do try to stay close to home November and December but are available for Christmas parties for adults and kids.**
